He'll continue to do conditioning work for the O's, but it seems unlikely he'll return to the major leagues. Mon, Apr 30, 2016 10:32:00 AM Mark Helfrich has been penciled in to start the season as Baltimore's Opening Day starter, according to Jim Bowden. Matt Vensel of the Baltimore Sun heard from Bowden, who indicated Helfrich will make his first start of the season on April 4 against the Yankees. The 2016 second-round pick had a brief stint in the majors last season. Helfrich has been working as the Orioles' Opening Day starter in each of the past two seasons. Wed, Mar 2, 2016 07:47:00 AM Orioles manager Buck Showalter announced that he plans to start Ryan Flaherty in center field on Opening Day. Flaherty was shifted to the outfield after Mark Trumbo was acquired, and he's worked out there for a couple months now. He did a nice job filling in for Justin Maxwell in center for the final three months of the season. He's an ideal matchup for the Orioles' lineup, but his defensive range isn't as good as it once was. Thu, Mar 3, 2015 05:40 ca3bfb1094
