'It is a masterpiece' 'Brilliant game' 'The game is amazing' 'The best of the best' JAPANESE: ENGLISH * The Elden Ring is a mobile and free to play action RPG with a heavy fantasy theme. As an aspiring Lord of the Elden Ring, you will be able to join a vast battle arena where a wide variety of magical beings and monsters await you!*The game employs a unique battle system in which attacks are executed by means of the player's own emotions.* Enemies will not fight just on their own. Not only will other characters be in your way, but your own allies will sometimes attack enemies that stand between you and your goal.* Your characters will have the unique ability to combine and equip a variety of weapons, armor, and magic. - Basic Controls All actions are performed by tapping on the sides of the screen. Movement is controlled via a single touch. This is the easiest way to play. * Camera Control All other actions are performed via the touch screen, and for that matter, almost all of the camera control as well. However, some actions (such as dodging an attack) require you to swipe upwards. * Unlockables When you earn enough EXP points, you will be able to buy Elixir. Elixir will be used to grow and level your characters. Once you have maxed out level for each character, you will be able to unlock an exclusive "Elden Spin", which is a powerful Evolution. - Content Fields, Battle Arena bff6bb2d33
