The film was produced by Sathish Kumar and Rohan Srinivasan under their respective banners, Lion's Cellar and 3D Land, and was originally titled as Naan Bhagavan. The original film project was commenced in 2007, with Yuvan Shankar Raja directing Naan Bhagavan with Vijay playing the lead antagonist. However, Raja left the project in March 2007, and the project was cancelled until 2012. Y. Vijay was approached to play the male lead and had initially agreed to do the film, although he was later replaced by Sylvester, a light-skinned man. He was in a major controversy over the lead role, which was shown being played by a dark skinned actor with Hollywood movies, after a new clause was added in the contract to ensure that the main lead is played by an Indian actor, as a result of which Vijay pulled out of the project. In June 2009, it was announced that the project had been closed, with a new title and cast announced. Pa. Ranjith was approached to play the lead role, and was later replaced by Vijay. Shriya Saran and Gopika were selected to play the female lead roles, while Preethi Ganesh and Shruti Haasan were cast in the supporting
