Xilisoft.Video.Converter.Platinum.v7.3.0.20120529.Incl.Keygen-Lz Serial Key KeygenQ: How do I disable Woocommerce search bar? This is the default theme I am using. I need to remove the search bar on the product page and side bar. Please help. A: Just to add to lemonger answer: This search bar is the featured products section on the front end. This is where featured products will be shown (on the screenshot you added, top left of the page). So if you don't want the featured products section or don't want your product to be featured, then you shouldn't add featured products on the product page. The same functionality is also in the header above the site content: This is the code for this functionality. `add_filter( 'woocommerce_before_shop_loop_item', 'woo_featured_products', 10, 3 ); function woo_featured_products( $content, $loop, $product ) {`
