Features Key:

An Old Mist-Traveling Story: A Tale of an Elden Lord, Awakening Alive! The fantasy RPG follows a story of an old mist-traveling only Elden Lords who return alive from the afterlife to revive the undead.

Unique graphics with 3D Depth: The most interesting dungeon architecture in the form of branching paths. A vast open field with dramatic narrow hallways. A multitude of wings and a thick roof.

Visually beautiful scenery: An oversize 2D character class with retro charm. The sound design appropriates to the game's setting to provide rich auditory sensations.

Rise, Tarnished: The world of the Elden Ring unfolds as you develop your character, which consists of 2 parts, body and soul. The development process of the tattered souls is tracked, and the resurrecting techniques are constantly found out.

A vast world where open fields, thick forest, and a dungeon are

seamlessly interwoven: The approachable world has a wide open area with an abundance of farmland and dense mountains. It's full of dramatic scenery. Dungeon and town settings and architecture are all unique.

Create your own character: Freely interact with the game's character system. Customize the appearance, equipment and skills that you equip, and think like a new person through deep thinking.

Character development based on your play style: Class-based character development that is free of standard stat flows. Attribute balance is kept in mind, and while the amount of basic attributes differs, the distribution is adjusted to achieve synergistic interactions.

Move in various manners across the vast fields, intricate hallway, and dungeon: A variety of manners for you to move across the world, such as flight on the air, and locomotion on land, in addition to movement in the dungeon with equipment.

Visually challenging action RPG: Featuring visually rich and diverse battle fields. Still a large part of the action RPG, such as the rope-dangling main attacks are also supported.
