The Elden Ring is an action RPG game that combines a rich story with the setting of the bestselling tabletop roleplaying game of the same name, and is set in a vast interconnected world filled with monsters and dangers. Developed by Korean studio Overlay Games and known for their success with The Banner Saga, Overlay Games continues to create games with rich stories and deep characters. ▲ Maps and dungeons to explore, where enemies and dungeons change day by day. ▲ Customize your character and equipment freely to create your own play style. ▲ Summon huge monsters or cast powerful spells to crush your enemies. ▲ An epic drama with colorful characters and their individual thoughts, made in a beautiful fantasy setting. ▲ See the Characters in Action. ▲ Explore a vast world full of monsters and dangers. ▲ Immerse yourself in the rich story. What's New in Version 1.35.5 ● New Players can now play Multiplayer and Plot-related Missions. ● Characters that are no longer online can now be killed once again. ● An error where Guard Lag would stop preventing the player from attacking NPCs has been fixed. ● UI updates and performance improvements. Please Note: The following

features will be available on July 11, 2017: □Plot-related Missions will be available to everyone.
□The period of the New Rank's service will be reduced. (The reduction is only temporary.)

Notes: * The plot-related Missions that are available to everyone are not all of the ones available to New Rank (previously Rank X) users. (The existing missions will not be changed.) * The reduction of the service period for New Rank (previously Rank X) is temporary, with the full period of service (a year) being available. * The final New Rank (previously Rank X) service period is not known yet. * Make sure you download the latest patch, 1.35.5, after the online registration is available. [Manufacturer]Justin Lin was attached to Star Trek 3 and went away from the project, but he recently spoke to Cinema Blend about where he stands on Trek in general now. Lin says he's more focused on making movies of his own, but he may someday end up helming another Trek. "For now, I'm enjoying making movies that really matter,"

"The early gameplay might be tricky to grasp at first but once you get used to it the game begins to flow naturally as you grow in strength and level." - Mediative "Lags all the time and it is extremely hard to farm in the beginning... Game is of 'average' level..." - QixGames "The game doesn't really tell you much about how to play with it. The new user will be lost for a long time before he figures out how it works. But if you play the game for some months, then you understand it better than most." - GamePoint "The game is fun and the story is engaging, however there is little explanation on how to play the game and everything is pretty "dumbed down"." - HungryGamer "I honestly just played the game until I was tired, it is pretty easy to get help and there are plenty of people online to talk to. It would be nice to have more activities to do though." - Amadogmeg "The music and sound effects are very good and nicely done. It's an interesting game and interesting concept." - Eu5Plus "Is pretty easy to get used to and the game is pretty fun overall. In addition the game is highly addictive." - Berborian "The developer cut down the game to really strong beginners." - MarsDizzydrag "The combat is awesome and you can't get bored for hours and hours. The story and character development are pretty cool to." - Tarnished "The game is simple and easy to learn and play. It's pretty fun to play and the graphics are nice. (...) This game deserves a lot of respect because it has a really high potential for the best things that RPGs can be and offer." - TheNumber1 "This game is really amazing. I have never in my life seen a game with such a unique and interesting concept. I was really taken by the pleasant and entertaining play." - CrownedCrown "The fantasy gameplay is cool, the story is interesting. The game has a pretty large player community." - FlyFisho "The game is a lot of fun!" - FreshCabbage "It's a fun game with lots of awesome features. Not to be missed." - Mithori "It's bff6bb2d33

- GAMEPLAY IN-GAME We are a game that you can play on your own, you can play on the Internet with other people, or get on a couch and play in a local area network (LAN). We are a game that is different from the free-to-play genre, and we want to make it something that is enjoyable for everyone. 1) Player

Objective The game is a dungeon RPG, you go into dungeons and explore dungeons and earn items. The adventure will be cut short depending on the player's advancement, through something that you will experience as an adventure becomes relatively short. For this reason, we have not included the "battle" part of the game, in the sense that we are preparing an RPG where the game can be played in a variety of ways depending on the level of play ability that you have. 1) Player Control There are different types of controls, based on the type of device you are using. If you are playing on mobile phones or desktops, you can play the game normally on your devices. If you want to experience the game more, you can play the game on the browser, using a computer's mouse and keyboard. 2) Class System Character Creation You can create your own character, enjoy the process of class development. When you change the class of the main character, the class of the side characters will change with it. Main Character Creation Rely on your ability to create a character that is appropriate to your style. The main character will have a wide variety of skills to choose from, and we will make it so that the "Class" concept is a very important element. Class Development System There will be a level of class development in the game. The player's class of choice will have a variety of moves, and you can advance your class by progressing in the game. Side Character Creation For the fun of having a variety of characters, you can create characters for each class. When you create a side character, you can change the appearance of each class. Using your menu, you can switch between classes, and you can switch between the main character and the side characters. 2) GATHERING EXP Gathering experience while playing the game. In order to improve the classes, you need to gather experience. Gathering experience will not mean that you need to advance to
